

A screenshot of a Cygwin terminal window. The title bar at the top reads "Cygwin" and includes standard window control buttons (minimize, maximize, close). The terminal content shows the system date and time: "Mon Mar 31 11:26:48 PST 2003". Below this, the user prompt is "anoop@dell134 [11:26] ~>". The rest of the terminal area is black and empty.
