

Announcing a new journal jointly created by IEEE AP, MTT, and EMC Societies

IEEE J. Multiscale and Multiphysics Computational Techniques (JMMCT)

Professor Qing Huo Liu, Editor in Chief

www.ee.duke.edu/~qhliu

Manuscripts submitted for JMMCT typically should have the following two components:

1. Electromagnetic waves and fields

+

2. Multiscale and/or Multiphysics

But novel CEM methods will be also considered

[Manuscript Central: https://mc.manuscriptcentral.com/jmmct-ieee](https://mc.manuscriptcentral.com/jmmct-ieee)

First JMMCT papers have been published since April 2016 at IEEE Xplore
